On Campus Events

Our Snap2School Rallies are motivating On-Campus events where students can show off their school spirit, participate in fun games to win prizes and pick up great perks from our generous sponsors.

Rewards

Each school's Attendance Counselor can easily monitor student rewards.

We have local and corporate sponsors who participate and support the Snap2School Attendance Incentive Program.

Our tiered rewards system rewards at least 10% of high school students for their daily attendance. We encourage students to take pride in their attendance as we offer grand rewards to some of the top participating students in their district.

The Snap2School logo, which consists of the words 'SNAP2SCHOOL' in a bold, teal, sans-serif font. The number '2' is replaced by a red smartphone icon with a white '2' on its screen.
